§ 630.4 Requirements.

(a) *National Transit Database Reporting System.* Each applicant for and beneficiary of Federal financial assistance under 49 U.S.C. 5307 or 5311 must comply with the applicable requirements of 49 U.S.C. 5335, as set forth in the reference documents. State Departments of Transportation shall provide reports on behalf of their subrecipients of grants under 49 U.S.C. 5311 as specified in the reference documents. Transit agencies that are beneficiaries of grants under both 49 U.S.C. 5307 and 5311 must file an individual report as an urbanized area transit agency. Federally-recognized Indian Tribes that are direct beneficiaries of grants under 49 U.S.C. 5311 must file an individual report. State Departments of Transportation should not report on behalf of transit agencies that have filed individual reports as urbanized area transit agencies nor on behalf of Indian Tribes that are required to file an individual report.

(b) *Copies.* Copies of reference documents are available from the National Transit Database Web site located at <http://www.ntdprogram.gov>. These reference documents are subject to periodic revision. Revisions of reference documents will be posted on the National Transit Database Web site and a notice of any significant changes to the reporting requirements specified in these reference documents will be published in the FEDERAL REGISTER.

§ 630.5 Failure to report data.

Failure to report data in accordance with this part will result in the non-

compliant reporting entity being ineligible to receive any Section 5307 or 5311 grants directly or indirectly until such time as a report is filed in accordance with this part.

§ 630.6 Late and incomplete reports.

(a) *Late reports.* Each reporting entity shall ensure that FTA receives its report by the due dates prescribed in the reference documents. A reporting entity may request a 30 day extension to submit its report. FTA will treat a failure to submit the required report by the due date or the extension date as failure to report data under § 630.5.

(b) *Incomplete reports.* FTA will treat an NTD submission that does not contain all of the required data; or does not contain the required certifications, where applicable; or that is not in substantial conformance with the definitions, procedures, and format requirements set out in the reference documents as a failure to report data under § 630.5, unless the reporting entity has exhausted all possibilities for obtaining this information.

§ 630.7 Failure to respond to questions.

FTA will review each NTD submission to verify the reasonableness of the data submitted. If any of the data do not appear reasonable, FTA will notify the reporting entity of this fact in writing, and request written justification from the reporting entity to either document the accuracy of the questioned data, or to revise the questioned data with a more accurate submission. Failure of a reporting entity to make a good-faith written response to this request will be treated as a failure to report data under § 630.5.

§ 630.8 Questionable data items.

FTA may enter a zero, or adjust any questionable data item(s), in any reporting entity's NTD submission that is used in computing the Section 5307 apportionment. These adjustments may be made if any data appears to be inaccurate, have not been collected and reported in accordance with FTA reference documents, or if there is not adequate documentation and a reliable recordkeeping system.
